

Karl Bull

1. Where are you currently employed and what is your occupation?

I am currently retired, having retired from Fox Communities Credit Union on August 1, 2008.

2. In what capacity have you previously served for a credit union?

For over 6 years I served as a Collections Officer for Fox Communities Credit Union.

3. How do you feel you can contribute to our credit union and its Board of Directors?

I have a degree in accounting, a certificate in human resources, over ten years experience in payroll, and 30 years in credit and collection; both consumer and commercial. I have been a guest lecturer at the UWO and the Appleton Schools on the subject of credit and collection. While at Fox Communities Credit Union I developed a close working relationship with many of the police departments in the area, working with them on member fraud and scams. I have a very strong belief in the areas of customer service and inter departmental cooperation. It is my desire to see that Fox Communities Credit Union continues to grow and provide superior customer service along with the necessary training and development of all staff.

I would like to see Fox Communities Credit Union continue to be active in the communities it serves both in public and behind the scenes. A solid reputation for good service is the best form of advertising that I know.
