Dress Down Day Raises over \$400 for Children’s Mental Health Center

Fox Communities Credit Union had a dress down day that raised over \$400 to help the Fox Valley Children’s Mental Health Center located in Menasha.

The Fox Valley Children’s Mental Health Center offers diagnosis and treatment for a full spectrum of mental health disorders for children up to age 18. The Center began seeing patients in December 2008 and since has served more than 700 children and teens. More than 3,100 referrals have been received from ten northeast Wisconsin counties and triaged to connect families to the most appropriate and timely mental health services in their local community.

The center also provides mental health access to rural and underserved populations utilizing videoconferencing at three locations, two of which are in schools with plans to expand locations in the near term.

Anyone can join **Fox Communities Credit Union** if they live or work in the counties of Brown, Calumet, Kewaunee, Manitowoc, Oconto, Outagamie, Shawano, Waupaca or Winnebago.
