Rebuilding Together Project Day 2008

Rebuilding Together Project Day 2008 was on Saturday, May 3. For the second year in a row, Appleton West students and staff teamed up with Fox Communities Credit Union to renovate the home of a senior in our area.

Each year, on the first Saturday in May, many volunteers help to preserve and revitalize many homes and communities assuring that low-income homeowners, specifically seniors and those with disabilities can continue to live in warmth, safety and independence.

Appleton West and Fox Communities Credit Union will be working together for the next couple of years to help improve our communities.

Fox Communities Credit Union employs 250 people and has an asset size of over \$640 million.
