## Rebuilding Together Project Day 2009

Rebuilding Together Project Day 2009 was held on Saturday, May 2, 2009. For the third year in a row, Appleton West students and staff teamed up with Fox Communities Credit Union to renovate the home of a senior citizen in our area.

Each year, on the first Saturday in May, many volunteers help to preserve and revitalize homes in our communities, assuring that low-income homeowners, specifically senior citizens and those with disabilities can continue to live in warmth, safety, and independence.

Appleton West High School and Fox Communities Credit Union will be working together for the next couple of years to help improve our communities with these project days.

Pictured below are our 2009 homeowner and his family, with our team.
