

# The **FOX** FACTS

For Friends of Fox Communities Credit Union

## Fox Communities Credit Union now has an in-school office in Bay Port and Clintonville High Schools.

Bay Port and Clintonville High School students now have a Fox Communities Credit Union office in their school. Other area schools that we have partnered with include Green Bay Preble, Green Bay West and Northeast Wisconsin Technical College. We are excited to be able to expand our commitment to education and the school system.

Bay Port High School

According to Mike Frieder, Bay Port High School Principal, "Financial literacy is a must for high school age students. We will be able to work towards this goal by having an in-school credit union. Furthering the partnership, Fox Communities Credit Union will present on a wide variety of financial topics to our students."

Greg Hilbert, President and CEO of Fox Communities Credit Union, supports these partnerships by stating, "By going right into the schools the credit union can work with the teachers to continue

their efforts to educate students on personal finance topics. By having co-op students work at the in-school branch, during their lunch hour, they can take what they are learning in the classroom and apply it in a "hands on" work environment."

Clintonville High School Principal, Garrett Rogowski, states, "The Board of Education would like to see the students of Clintonville High School make informed and responsible financial decisions. We will be able to work towards this goal by having an in-school credit union."

Clintonville High School

We look forward to our continued partnership with each of these high schools and with all of our school districts. Giving back to the community is part of our mission and one of our core values. We are grateful to these schools for allowing us the opportunity to provide these services.

# 4th Annual

## "If You Love Me, ID Me" event was a huge success!

Everyday 2,000 children go missing in our country. According to the National Center for Missing and Exploited Children, the first three hours that a child goes missing are the most critical. By having the proper identification parents can aid the efforts to find their children and bring them home safely.

Fox Communities Credit Union has teamed up with DIVERSIFIED Investigations LLC for the last four years to provide comprehensive identification kits for children. Each kit includes a photo ID card, digital fingerprints, height, weight, DNA sample and a bite mark impression.

This year we teamed up with Brandon's Champions, a non-profit organization dedicated to promoting bicycle/helmet safety. They also stress the importance of carrying

identification at all times in case of an accident. To aid in the awareness of this organization, Fox Communities Credit Union was able to give away 10 bikes!

Watch for more details on the "IF You Love Me, ID Me" event next year. Help us to help protect your children in the event that your child goes missing.

## Need Documents Shredded? We'll Do It For You!

**Saturday, October 6, 2007 • 9:00 am - Noon**

Fox Communities Credit Union is taking proactive steps to fight the identity theft battle by inviting you to a free paper shredding event. This is a safe way to destroy all unwanted tax returns, credit card information, utility bills, statements and anything that has information you wouldn't want someone else to find.

On-site shredding trucks at the following Fox Communities Credit Union locations:

Appleton - 3401 E. Calumet  
Clintonville - 3 N. Main Street  
Green Bay - 2170 S. Ashland Avenue

Shredding containers will be available at all other Fox Communities Credit Unions locations.

For more information visit our website at [www.foxcu.org](http://www.foxcu.org).
