

# Attention all members with Checking Accounts

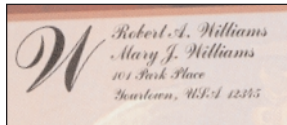

## Beginning May 1, 2004.....

Optional enhancements on checks, which are the monograms, accents and premium lettering, will now be charged an additional \$1.99 per order, whether you use 1 or more of these enhancements. Example: If your check order has 3 enhancements (a corner accent, a center accent, and premium lettering) the additional charge will be \$1.99. These enhancements have been offered at no charge in the past.

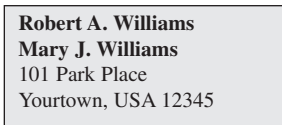

With more and more members using check cards versus paper checks, the number of checks ordered has been on the decline. Due to this, Liberty Check Printers, the company that prints and provides our checks for our members and business accounts, has decided to implement this additional fee for these optional enhancements. If you have any questions or concerns, feel free to give us a call at (920) 993-9000.
